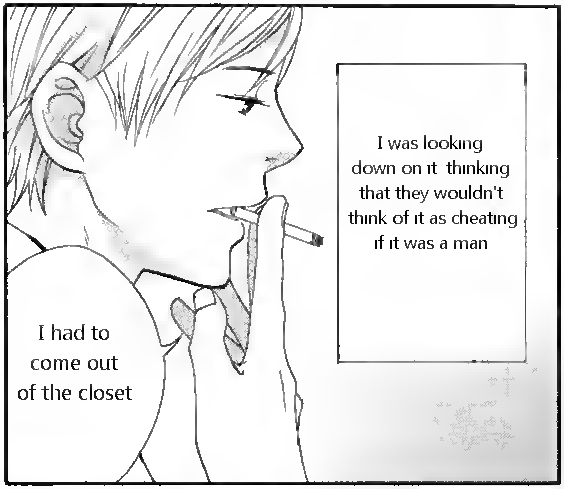
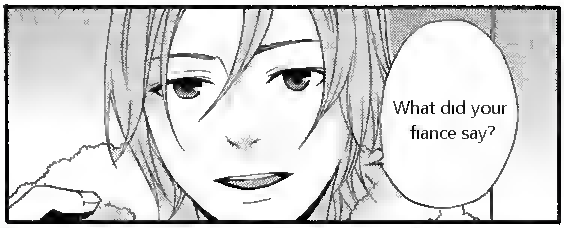
!

Takahara has a fiance
I can't do it



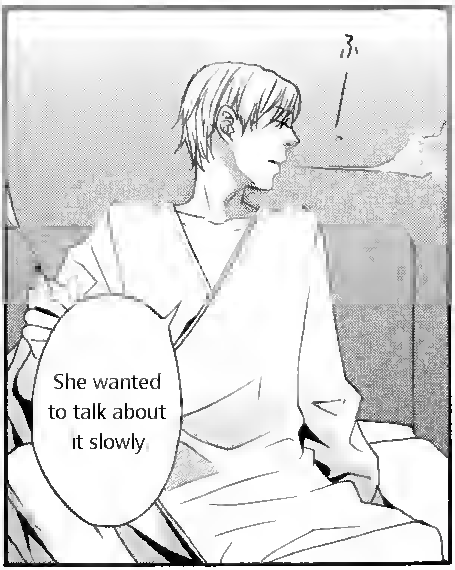
I had to come out of the closet
I was looking down on it thinking that they wouldn't think of it as cheating if it was a man

I was found out



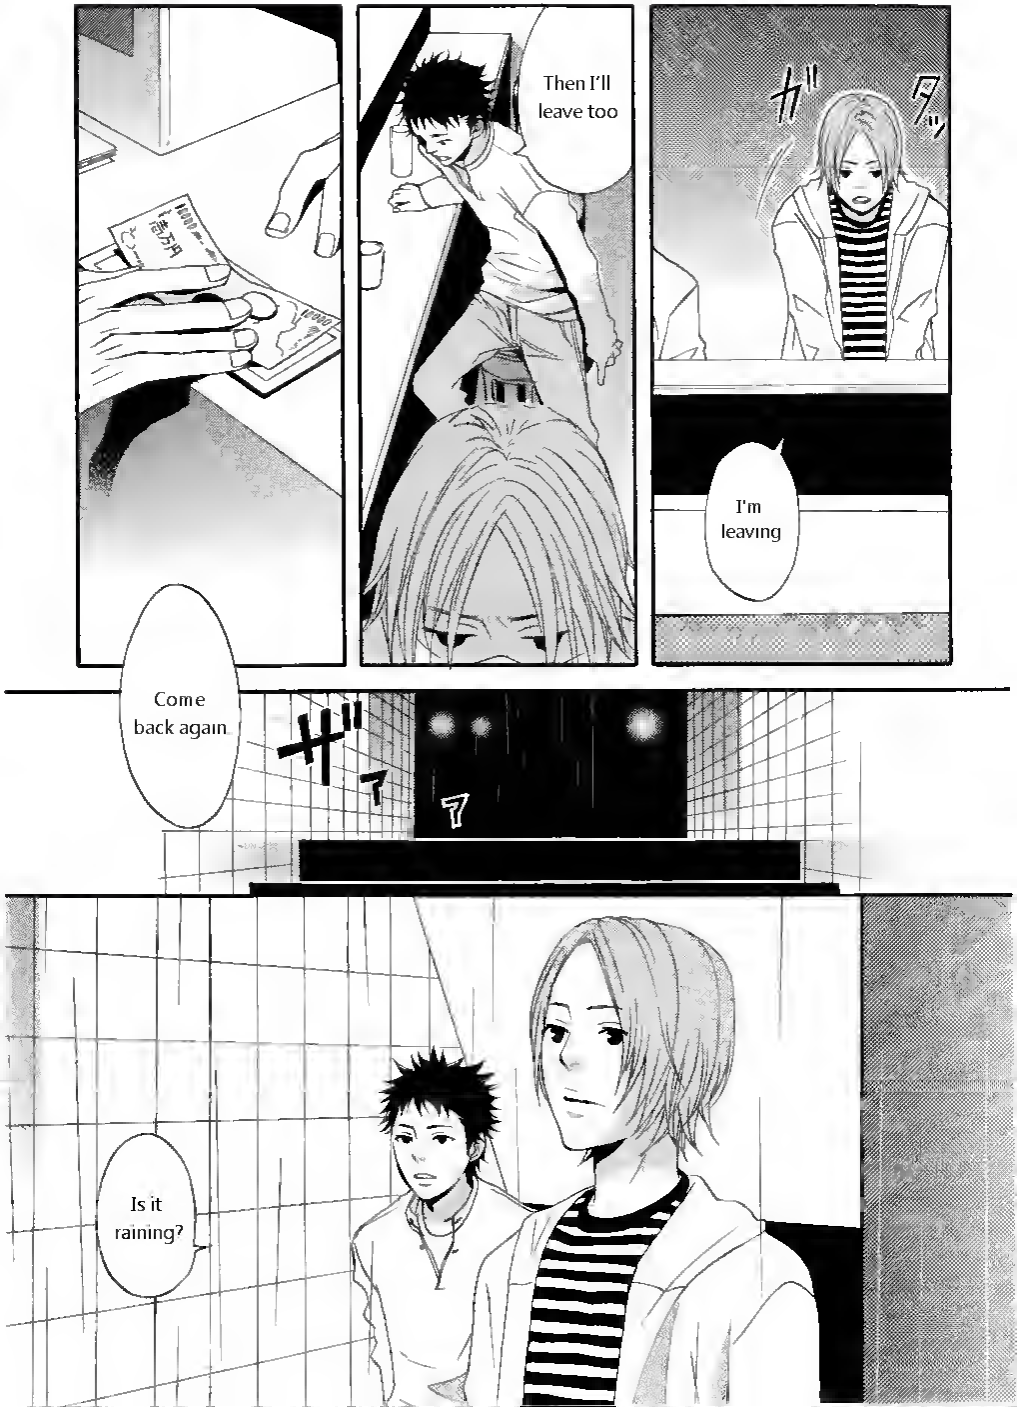
What did your fiance say?

What should I do?
Whatever. We did it one more time after the talk was over



She wanted to talk about it slowly

You should break up with guys who have a fiance
I would have quit months ago
My drinking companion, Kazuhiro must hate Takahara He always tell me to break up with him
They are not trying to make you have a secret marriage You're going to be sued if you make a mistake!
Do you believe that?
That you are being loved?
But Takahara says that he likes me more
Idiot!



Then I'll leave too
I'm leaving
Come back again
Is it raining?
